## ABOUT SAFA

South Amboy First Aid Squad is a unit of ARC and an independently run non-profit organization completely staffed by dedicated volunteers and supported by tax-deductible donations.

Our 24/7 services are free of charge but we need you to join us in providing this valuable service to our community.

## WHY JOIN US?

- You will gain a sense of purpose that comes from assisting your friends, neighbors, and even complete strangers in their most vulnerable moments. Nothing in this world can compare to the feeling it brings to serve others.
- You will gain a skill set and experience that can help in all facets of your life, including advancing in or changing your career or catching the eye of a college admissions officer.
- You will develop a sense of belonging that comes from working as a team and make life-long friendships along the way.
- SAFA will provide initial and continuous free training that will not only serve to better your life but benefit the lives of others around you in an emergency response situation.
